## Sharpe'n Your Space

Welcome to **Gourmand Market** located across from Southpark in the APEX shopping center. We worked closely with Hillary Lacouture, owner of Wrathbone Marketing Group ([hillary@wrathbone.com](mailto:hillary@wrathbone.com)) and Bo Phillips, owner of Gourmand Market to help add visual elements to this space. Be sure to stop by and have a glass of wine and one of their custom charcuterie boards.

## Sharpe Swing!

Investing in Fence Screens is one of the most cost-effective and impactful ways to elevate your brand visibility and capture attention. We thank the Cresswind team for the opportunity to enhance the appeal of your pickleball and tennis courts, making them not just functional areas for activity but also stunning showcases of community spirit.
